## Welcome

Welcome to our latest Price List. This is intended to be used in conjunction with our current Product Guide. The Product Guide highlights some of the vast range of products that can be supplied by Protek.

We have further expanded the detailed information relating to our products which should help choosing the right product even easier.

Copies of both are available from your local agent or from Protek upon request.

**Opening an Account** - To open a 30 day credit account call our sales office and ask for a credit application form or simply order on a pro-forma basis.

**Delivery** - Orders placed before 2.00p.m. for standard stock items are normally delivered within 2-3 working days.

Special orders and bespoke requirements may involve a different time-scale but you will be informed of this at the time of order. There may be certain geographical limitations e.g. Eire, Channel Islands etc. that will also extend delivery times. Please confirm this at the time the order is placed. We can also offer pre - 10.30a.m. or same day delivery service if required. Please ask for details when placing your order.

Free delivery is available on all standard orders over £275 NETT. For all other orders please ask at the time of placing your order for the cost of delivery.

**Warranty** - Warranty is for twelve months and on a return to base policy.

**Prices** - Prices are available on request from our offices in Cannock. If you require additional copies of our Price List or Product Guide please contact your local representative or our office on the telephone number provided.

**Specials** - Protek can produce custom made panels and boards to individual requirements but these cannot be returned should they not be required by the end user.

**Returns** - All returns require prior consent. Should a product fail to meet your expectations please contact us immediately quoting the following information;

1. Delivery note number.
2. Invoice number.
3. Product code or description.
4. Quantity, damage, fault or reason for return.

Protek will provide you with a Returns Note Number and instructions for returning the goods. Please ensure all goods are correctly packaged and are fit for resale.

All shortages, damages and returns must be notified within 5 working days.
